

The purpose of the **NSAIDS (Nursing Student Advancement, Improvement & Development Society)** club at South Seattle Community College.

The aim of the NSAIDS club is to be a resource center for the nursing student community at South Seattle Community College, with the ultimate goal of ensuring success of each student in the nursing program. The club will serve the needs and address concerns of those students involved in related programs and encourage and foster lifetime learning. By offering co-curricular and extracurricular services, the club will be a positive outlet for the creative energies of its members and provide opportunities to develop leadership skills, techniques and strategies that transfer to any work and/or social situation.

The purposes of the club are:

- 1). To provide social support to nursing students and prospective nursing students by offering tips on organizational management and how to purchase nursing supplies at a discount. Committees will be formed to develop a library of informational brochures. There will be a copy of the textbook and other reference books available at the library. Our website will offer a forum to sign up for study groups and links to additional clinical information, etc. We will provide a sale kiosk, in addition to an online bulletin board in our website forum, for purchasing/selling use supplemental nursing reference books, not listed on the required book list, textbooks and nursing supplies, as allowed by the SSCC contract with Barnes & Noble.
- 2). To provide students with an update of current health care issues and serve as a resource by providing accurate, up-to-date information about prerequisite requirements for entry into WA State ADN/BSN program(s).
- 3). To provide a cooperative environment between the campus and the community by way of hosting a health fair and job fair.
- 4). To provide extended learning by way of field trips to other nursing program orientations, nursing conferences and symposiums/career fairs in the local area.

#### BI-MONTHLY SCHEDULED MEETINGS

2:00pm- 3:00pm

MONDAYS in rm JB 128

WEDNESDAY IN RM JB 140

Welcome to the nursing student club, Nursing Student Advancement, Improvement & Development Society. The NSAIDS club serves SSCC former and present students who are interested in the nursing field. The club presents many opportunities for leadership, community involvement and collaborative learning. Building friendships through activities will enhance the nursing student experience. The club website offers a forum to sign up for study groups, ask any pertinent questions and browse a bulletin board of used books and related nursing supplies for sale. The club continues to develop and compile informational brochures to help students succeed in the nursing program.

To join the club, simply e-mail the club at: [NSAIDSclub@yahoo.com](mailto:NSAIDSclub@yahoo.com) with your name, phone number, career goals, and how the club can help you. We look forward to making your experience fun as well as educational

## Nursing Student Advancement, Improvement & Development Society

*get* INVOLVED  
*because*

INVOLVEMENT

*is the key  
to success*

## Activities in Fall quarter, 2004:

(See calendar for meeting times).

1) Nursing Student handbook for success in the nursing program, as well as a reference guide on how to write a nursing care plan, documentation, normal laboratory value ranges, medication side effects., head to toe assessment, LPN Handout, Tips etc.

2) Planning of LPN pinning ceremony for the 2005 graduating class. The nursing club would like to provide formal invitations to the pinning ceremony, and group photographs of the class with appropriate lighting for school annals, publicity, etc.

3) Bone Marrow/Blood Drive in conjunction with Puget Sound Blood Bank on Nov 18th from 9am-3pm. Club members will help register and conduct brief medical history interviews of donors. As part of community outreach, nursing students will provide free blood pressure checks.

4) Recruitment and publicity for replacement officers for upcoming year, to include speaking engagements at SSCC CNA class, and general orientation meeting October 28, 2004~February 24, 2005 ~ April 28, 2995 from 5:00pm to 8:00pm for LPN program applicants, class of 2006 entering fall of 2005.

5) Health fair to coincide with SSCC Rainbow festival during the week of May 17th, 2005. As part of community outreach, nursing students will provide free blood pressure monitoring, and increase awareness of silent diseases by filling out short questionnaires about various health issues such as transmission of STDs, birth control, smoking cessation, diabetes, colon cancer, etc.

6). Seattle Nursing Career Fair. The fair will also be held November 11, at the Meydenbauer Center in Bellevue. Carpool available from SSCC. To pre-register online go to [www.nurseweek.com/careerfairs](http://www.nurseweek.com/careerfairs).

7) Support LPN Orientation October 28, 2004.

Members are **not** limited to students in the South Seattle Community College LPN program. Any student who has been previously enrolled at SSCC, for at least one quarter, and is interested in a nursing career may join by emailing the club at: [NSAIDSCLUB@YAHOO.COM](mailto:NSAIDSCLUB@YAHOO.COM). Be sure to include your name, phone number and how the club can help you. Membership is maintained by attending a minimum of 1 meeting/month. Minutes of each meeting will be posted on the NSAIDSCLUB website. LPN class of 2005 are automatically full members.
